

The schools at the campuses at Guthrie Center offers the opportunity for parents and students to receive updates and notifications including weather related school closings, late starts, unexpected early outs, and HS activity changes via text message with a program called Remind.

Standard text message fees do apply, but signing up for the service is free. Make sure that you text the message including the @ sign and all in lower case letters)

F.A.Q.:

Q- Do I have to have a “smart” phone to sign up for this service?

A- No. As long as you can receive texts, you can receive this service.

Q- If I have children in more than one school, can I sign up for more than one?

A- Yes. It is a free service, but standard text message fees do apply. For example, if you are signed up for all three schools you will receive three messages if it is one that pertains to all three schools, ie: late school start, no school, etc.

Q- I am not a parent of a student but I want to know about high school sporting events and activities cancellations and changes, can I sign up?

A- Yes. Sign up for the messages for the high school. Our activity director sends out messages regarding the changes in dates or times of activities.

Messages for Guthrie Center Elementary Parents/Students-

Send a text message of

@gcelem13

to the number **81010**

You will receive a text message back in which you will reply with your name.

Messages for AC/GC High School Parents/Students-(this would include HS activities changes or updates)-

Send a text message of

@parentgchs

to the phone number **81010**

You will receive a text message back in which you will reply with your name.

If you want to STOP receiving Remind messages, text “STOP” to one of the text messages or call the office and request to be removed.

AC/GC Junior High and A-C Elementary will be utilizing JMC to send out texts and email updates. Please make sure your information on JMC is up to date.
